

**Lincoln Electric's New Premium Welding Gear Ready-Pak® is "Packed" With the Best**  
Fully-stocked set contains top-of-the-line welding apparel and gear

**Cleveland** – [Lincoln Electric's](#) new [Premium Welding Gear Ready-Pak®](#) is loaded with top-grade personal protection equipment for welding and other fabrication tasks. Everything a professional level fabricator needs to get started comes stowed in an industrial grade duffle bag, ensuring that all of the necessary gear is close at hand on the job.

The Premium Welding Gear Ready-Pak® provides welders with a set of Lincoln Electric's finest [welding gear](#), including a [VIKING™](#) 3350 Series welding helmet and the Company's new split leather flame-resistant welding sleeves.

The new Premium Welding Gear Ready-Pak® is sold in sized packages, ranging from Medium to 2XL. Each Ready-Pak includes:

- VIKING™ 3350 Series variable shade 6-13 black helmet
- Shadow™ split leather sleeved jacket
- Premium leather MIG/Stick welding gloves
- Full leather SteelWorker® gloves
- Finish Line™ clear safety glasses
- Split leather flame resistant welding sleeves
- Flame resistant doo-rag
- Industrial duffle bag

The industrial duffle bag can be purchased separately. Lincoln Electric also offers the [Traditional Welding Gear Ready-Pak](#), containing a variety of other Lincoln Electric personal protection gear intended more for the student or occasional welder.
