## ***NEW PRODUCT RELEASE***

### **2007-2011 Jeep Wrangler JK Direct Fit Triple Gauge Mount**

February 15, 2013 Sycamore, IL - Auto Meter is proud to introduce a triple gauge Direct Fit mounting solution for 2007-2011 Jeep Wrangler JKs (#5380). Designed to compliment the Jeep styling for a “from the factory” fit and finish, the three gauge mount attaches easily to the top of the dash above the center stack and radio. Constructed from textured, paintable black plastic to allow for complete custom tuning to match your interior or custom color scheme. Mounts three 2 1/16” Auto Meter gauges in the driver’s field of vision providing critical information without the need to take your eyes off the trail.

\*Gauges sold separately.
