**MICKEY THOMPSON PERFORMANCE TIRES & WHEELS  
INTRODUCES NEW LOAD RANGE E SIZES FOR BAJA MTZ**

**STOW, OH** – Mickey Thompson Performance Tires & Wheels has added four new load range E sizes to the popular Baja MTZ line including LT285/75R16, LT305/70R16, LT315/75R16 and LT285/70R17.

“The Baja MTZ is our most versatile off-road tire,” stated Ken Warner, VP Sales & Marketing, Mickey Thompson Performance Tires & Wheels. “We’ve added several popular light truck sizes to the line with a higher load ratings, so it’s a great choice for ¾-ton and one-ton pickup owners who haul heavy loads or a trailer, including work truck owners.”

The Baja MTZ’s PowerPly™ sidewalls and Sidebiters® on the sidewall offer high-performance handling and puncture resistance. The self-cleaning, high-void tread lugs and deep shoulder lugs provide aggressive traction in off-road applications. For more information visit <http://www.mickeythompson.com/BajaMTZRadial>.
