## ATI Unveils New Bolt Together 1.64 and 1.66 High HP Powerglide Gear Sets

ATI is proud to introduce new 1.64 and 1.66 ratio, straight cut, Vasco gear sets for Powerglide Transmissions. These new gear sets accept OEM Powerglide 19-spline input shafts and have an OEM sized Powerglide output shaft. No case machining needed, accepts up to 5 OEM sized reverse clutches, and no other special parts needed for installation. A lightweight billet Aluminum carrier is an available option and saves over 2 lbs! Each gear set comes complete with Flange and Reverse Ring Gear and are available in both standard 28-inch lengths and as an 18-inch shorty. ATI warrants these gear sets for 2 years against failure and they are available for \$1495.
