### **MICKEY THOMPSON PERFORMANCE TIRES & WHEELS INTRODUCES THE SIDEBITER® II WHEEL**

**STOW, OH** –The SideBiter II Wheel is one of several new additions to Mickey Thompson’s impressive wheel line. This tough, stylish wheel features the signature “SideBiter” styling, a durable satin black finish, a seven-spoke design, and a new “pop-top” center with embossed center cap featuring the Mickey Thompson logo. Available in popular 15-, 16-, 17- and 20-inch diameters, the new SideBiter II has a high load rating, a lifetime limited warranty for structural defects, and a one-year warranty on the finish.

“The SideBiter II has been designed to be a heavy-duty performer,” stated Ken Warner, VP of Marketing, Mickey Thompson. “Like our other SideBiter products, this wheel has been specially designed for the Jeep, pickup or 4x4 owner who wants the ultimate combination of durability and style.”

The SideBiter II is available for 20 popular fitments. For more information, visit <http://www.mickeythompson.com/wheels.php?item=SideBiterII>. To locate a dealer in your area, visit <http://www.mickeythompson.com/locator.php>.
